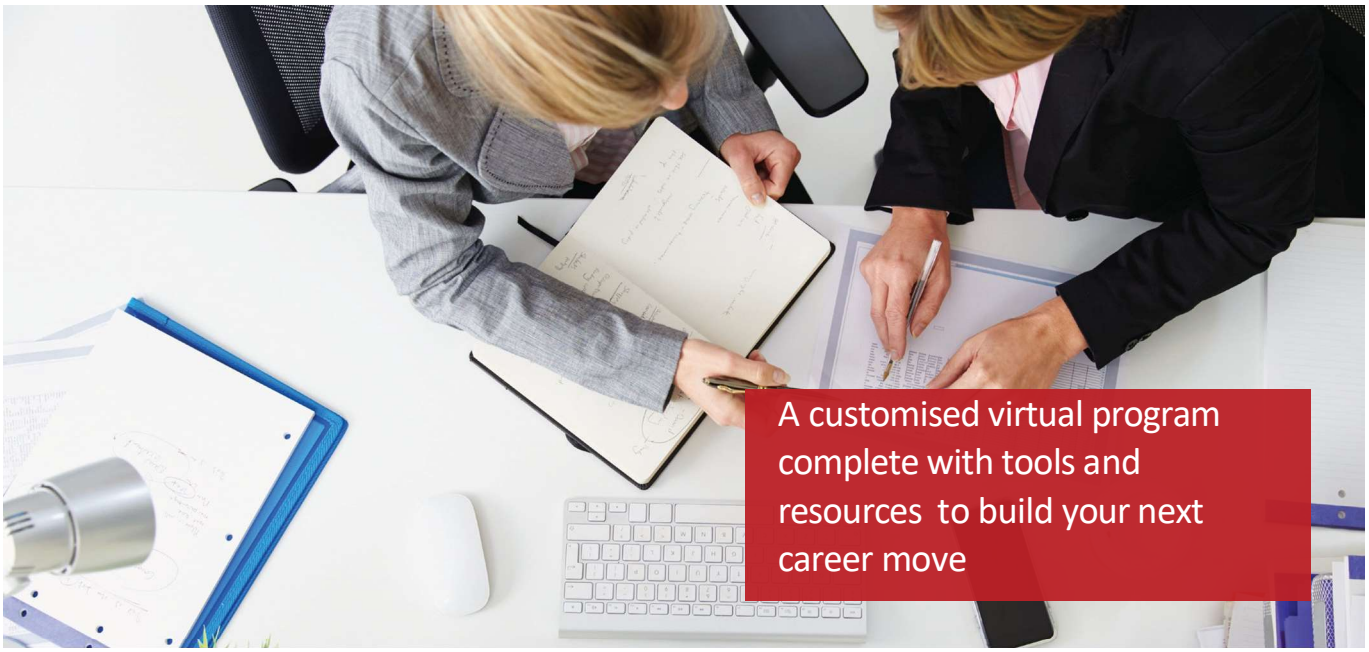
Career Assistance Program

Two Month Virtual Program

Placing People First



Placing People First...

Your company is providing you a **Two-Month Virtual Program** to prepare for your new career path.

Your NOVA Partners Coach will provide you with the tools, support and confidence to manage your job search plan for a positive outcome.

Flexibility is key to NOVA Partners' successful programs that deliver the best outcome for each individual.

Your Program

We will explain the current job market, career options and latest job search tools. Through one-on-one meetings, practical and strategic advice, supported by current technology, you will achieve the best outcome for you.

And your **NOVA Partners Career Coach** will be there every step of the way.

You will also have access to our innovative 24/7 ***Placing People First*** Online Career Management tools.

How we help

>>We ensure you are at your best to manage change

>>Identify and highlight your skills and achievements

>> Show how your skills are transferrable

>> Prepare market-ready resumes and cover letters

>> Detail current Job Search techniques

>> Assess and target job opportunities

>> Explore the value of LinkedIn and Social Media

>> Interview coaching: one-on-one

>> Assist with negotiating your new job

>> Additional support with our Health and Wellbeing Coach

Your future starts now!

We help you to **be** at your best and **gain** the best from your skills and achievements because we ***Place People First!***

Call now for a confidential discussion about your needs – we are here to help.

And best of all, this program is at no cost to you!
