

Senior Executive

6 Month Virtual Program

Placing People First

Delivering expertise, strategies and solutions to ensure you achieve your career goals

Placing People First...

Our **Six Month Senior Executive Virtual Program** will provide a tailored career evaluation, analysis and market positioning review to deliver clear strategies for your next career step.

Professional and personal evaluations will be used to provide options that suit and empower you to **take control of your career**.

Your Program

Be prepared for an in-depth career review, gap analysis and evaluation of current and future options to explore and develop your career marketing options and planning.

Information gathering, critical thinking, self-awareness, targeted planning, goal setting and dedication to drive your personalised marketing plan are required to achieve your aspirations.

And your **NOVA Partners Career Coach** will be there every step of the way as your valued partner.
